Physician Background

Manish Suthar, M.D.

Manish Suthar, MD, is a Board-certified physician in physical medicine and rehabilitation who specializes in pain management. He completed his undergraduate degree at Washington University in St.Louis, Missouri and his medical degree from the University of Missouri School of Medicine in Columbia, Missouri. He completed internship in Internal Medicine before beginning his Residency training at the University of Texas Southwestern.

In his final year he served as a Chief Resident in the program. Dr. Suthar maintains Board-certification in both Missouri and Texas, along with Hospital privileges at BJC and Missouri Baptist.

Who We Are:

At the Pain Prevention & Rehabilitation Center, we specialize in the non-surgical treatment of patients with back & neck problems, sports injuries, orthopedic, neurologic and arthritic conditions.

Our goal is not simply to treat pain, but to determine an accurate diagnosis. Dr. Suthar and the experienced staff use state-of-the-art pain management strategies to provide pain relief and lifelong strategies for healthier living.

Our Mission

"Over the years, we have developed a strong relationship in our community and with other healthcare professionals. This "virtual network" allow us to better serve our patients with innovative approaches without the restrictions of larger facilities. We hope to serve our patients with compassion and personalized treatment strategies. We have the "state-of-the-art" equipment to better serve your needs. With the ever-changing health industry, we hope to offer insured and uninsured patients with reasonable and competitive pricing in a timely and caring delivery".
